*The Horace Mann Educator Advisory Panel has been in place since 2004 and consists of educators from across the country. Educators that sign up for the advisory panel are asked to complete 4 to 5 online surveys each year. Survey topics include a mix of educational-related topics and topics related to insurance and retirement. Currently, around 1,700 educators belong to the panel and are mostly Public K-12 teachers. Less than 15% of the panel members are Horace Mann customers.
